

Poster Session

Family Centered Maternity Care – July 23-26, 2014 – Denver, CO

A non-CME poster session will be held on Thursday, July 24, from 10:00 – 11:00 a.m.

Posters should include the following information, including, poster title, author(s), contact information, short abstract (not to exceed 200 words), full abstract to attach, and IRB letter, if applicable. Poster categories can include: research, clinical inquiry, educational program, or community project.

Creating a Successful Poster Plan

- Size – 40 inches by 96 inches maximum
- Text – amount of copy, font type and size
- Images and graphics

Display Options (Poster will be displayed on a Poster Board)

- Paper or canvas roll
- Poster board

Selecting Poster Content

Describe all parts of the research, educational program or community service project, including why it did or did not work.

- Background
- Hypothesis/program or project objectives
- Research design/program or project description
- Results/evaluation
- Conclusion(s)
- Future plans
- References

Present a clinical scenario with discussion of an actual patient presentation or review current evidence-based recommendations for a clinical topic.

Clinical case presentation

- Introduction
- Case description
- Discussion of current practice guidelines for management of the patient

Evidence-based review

- Evidence summary
- Recommendations from others
- Clinical commentary

**Please email copy of your poster for approval by Monday, June 16 to Karla Krause at kkrause@aafp.org.
Contact Karla at (800) 274-2237 ext. 6522 with questions.**
