Disclosure

- [Edited] Transcript of discussion will be submitted for publication in FM literature
- Questions from audience will be anonymously attributed

Who are you? [polling question]

- Program Director
- Assistant Program Director
- Residency Faculty Member
- Program Administrator
- Resident
- Other

Background

- How did each of you become Program Directors?

6 Panel Questions: A sharing of lessons learned

- On advice: “Take what you like, and leave the rest.”

Question 1.

- What are your recommendations for how best to prepare for the Program Director role?

Question 2.

- How did you address conflict within the training program?
- Give some concrete examples...

From the Audience [polling question]

- Are there specific examples of conflict you'd like the panel to address?

Question 3.

- What are the most important resources for you in your role as a Program Director?

From the Audience [polling question]

- Are there other important resources for a PD, not mentioned, that you have questions about?

Question 4.

- What are the most important lesson(s) have you learned after serving as a Program Director for over a decade?

Question 5.

- What do you wish, in retrospect, you'd done differently as Program Director?

From the Audience [polling question]

- Any more specific questions for the panel about lessons learned the hard way?

Question 6.

- How do you facilitate a smooth transition for taking on or exiting the Program Director role?

From the Audience

?

Social Q & A

- Additional questions?
- Comments?
- Ideas?

From the Panel

- Parting words of advice from the veteran panel members?

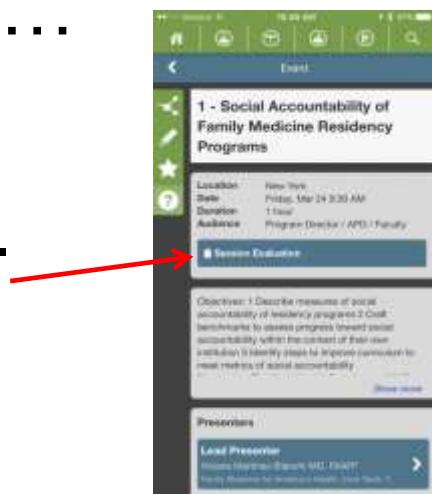

Poll Question:

Enter your email address to be included in any follow-up communication from the presenter(s).
