

### **Author Profile**

Please provide information for each author, as well as complete contact information for the first/corresponding author. Include this form with your Photo Quiz submission.

1. First/corresponding author's contact information (e-mail, address, phone):

2. Name(s) and degrees (all authors):

3. Current position(s) (all authors):

4. Current affiliation(s), such as a hospital, university, or practice (all authors):

5. If any author has not completed primary specialty medical training, please indicate their current status here (resident, fellow, and so forth).

**Photo Quiz authorship policy: The first/corresponding author must be an experienced physician who has completed residency.**
