# AAFP STUDENT MEMBERSHIP BENEFITS

## Discover

- Unlimited online and mobile access to **American Family Physician (AFP)**, one of the nation's leading peer-reviewed medical journals, where you'll find articles on patient care and diagnosis, reviews of other medical periodicals, and clinical review articles to use as study materials
- **Exclusive audio and video of a few standout sessions** from 2022's National Conference
- **AFP Podcasts**, where you can tune in with over 40,000 other listeners to discussions of key evidence-based learning points from each issue of *AFP* and physician interviews
- **Grassroots advocacy** opportunities, so you can learn about current issues affecting family medicine on Capitol Hill and find out how you can help

## Plan

- **Strolling Through the Match**, an essential guidebook on the Match that summarizes family medicine careers and residencies and provides timelines, checklists, and reference materials to guide you every step of the way
- The only comprehensive family medicine **residency program directory** that allows you to search by location, community setting, and program type and size
- **255 clerkship listings** that allow you to explore specific clinical areas, such as sports medicine, adolescent medicine, and women's health, throughout the United States and beyond

## Learn

- The latest news, free audio clinical sessions, and a QBank of more than 1,300 Board-style questions on **the AAFP mobile app**, allowing you to access study tools all in one place
- **Debt management tools** to provide you with strategies for limiting your total costs and managing school debt
- A **global health online hub**, where you can find residency programs that offer international electives and opportunities to provide international disaster and humanitarian relief
