5. **Conflict of Interest.** The Faculty Member acknowledges that he or she has completed the AAFP's Conflict of Interest Form prior to entering into this Agreement. The Faculty Member shall have a continuing obligation to update his or her Conflict of Interest Form as changes to his or her relationships occur. Additionally, at least sixty (60) days prior to the earliest date listed in the table set forth in Section 2(b), the Faculty Member shall (a) submit notification of update of his or her Conflict of Interest Form to the Program Strategist or (b) confirm to the Program Strategist that his or her Conflict of Interest Form remains complete and accurate.
6. **Independent Contractor.** The parties agree that the Faculty Member's status under this Agreement is that of an independent contractor and that the Faculty Member is not an employee of the AAFP. As an independent contractor, the Faculty Member is responsible for all taxes relating to payments made under this Agreement and is not eligible to participate in the AAFP's benefit plans.
7. **Intellectual Property Ownership.** The AAFP acknowledges that the Faculty Member will be the sole owner of the Materials developed by the Faculty Member for FMX. 9. **Commercial Support.** The Faculty Member acknowledges the AAFP accepts commercial support for its CME activities and topics with a demonstrated need for family medicine physician education. Inclusion of a financially supported program at FMX does not constitute the AAFP's endorsement of a product or service. All supporting companies will be required to sign an agreement to abide by all ACCME Standards for Commercial Support Continuing Medical Education.
10. **Confidentiality.** With respect to any information supplied by the AAFP to the Faculty Member in connection with this Agreement and designated by AAFP as confidential or restricted, or which the Faculty Member should reasonably believe is confidential based on its subject matter or the circumstances of its disclosure (including, but not limited to AAFP research data or AAFP financial data), the Faculty Member agrees to protect the confidential information in a reasonable and appropriate manner and to not disclose such information to any third party. The foregoing obligations will not apply to information which is: (i) publicly known, (ii) disclosed by a third party not subject to a similar obligation of confidentiality, (iii) independently developed, or (iv) required to be disclosed pursuant to legal requirement or order (in such case, the Faculty Member shall promptly notify the AAFP to enable the AAFP to pursue a protective order).

 - b. **Entire Agreement.** This Agreement, including the Exhibits hereto and any documents and instruments executed in connection with this Agreement, constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all other prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof.
