

Cardiovascular Pharmacology: Ask the Expert

Jennifer Brull, MD, FAAFP

ACTIVITY DISCLAIMER

The material presented here is being made available by the American Academy of Family Physicians for educational purposes only. This material is not intended to represent the only, nor necessarily best, methods or procedures appropriate for the medical situations discussed. Rather, it is intended to present an approach, view, statement, or opinion of the faculty, which may be helpful to others who face similar situations.

The AAFP disclaims any and all liability for injury or other damages resulting to any individual using this material and for all claims that might arise out of the use of the techniques demonstrated therein by such individuals, whether these claims shall be asserted by a physician or any other person. Every effort has been made to ensure the accuracy of the data presented here. Physicians may care to check specific details such as drug doses and contraindications, etc., in standard sources prior to clinical application. This material might contain recommendations/guidelines developed by other organizations. Please note that although these guidelines might be included, this does not necessarily imply the endorsement by the AAFP.

DISCLOSURE

It is the policy of the AAFP that all individuals in a position to control content disclose any relationships with commercial interests upon nomination/invitation of participation. Disclosure documents are reviewed for potential conflict of interest (COI), and if identified, conflicts are resolved prior to confirmation of participation. Only those participants who had no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this CME activity.

All individuals in a position to control content for this activity have indicated they have no relevant financial relationships to disclose.

The content of my material/presentation in this CME activity will not include discussion of unapproved or investigational uses of products or devices.

Jennifer Brull, MD, FAAFP

CEO and Physician/Owner, Prairie Star Family Practice, PA; Clinical Director and Operations Manager, Doctors Without Delay; Meaningful Use Consultant, Kansas Foundation for Medical Care

Dr. Brull lives and practices full-scope rural family medicine in Plainville, Kansas. She sees patients in office, hospital (critical access), emergency room, nursing home, hospice, and home settings. Her patients range in age from birth to more than 100 years old. Dr. Brull has volunteered as a clinical faculty member for the University of Kansas School of Medicine since 2002 and has been teaching at conferences for 12 years. Her areas of specialty include quality/performance improvement, EHR/HIE, social media, and the patient-centered medical home. In 2014, Dr. Brull received the University of Kansas School of Medicine's Student Assembly Ad Astra Outstanding Volunteer Award, and the CDC named her a Million Hearts Hypertension Control Challenge Champion.

Learning Objectives

1. Discuss solutions for overcoming barriers to providing optimal management of cardiovascular pharmacology in practice.

Audience Engagement System

The image shows three sequential screenshots of a mobile application interface for audience engagement. Step 1 shows a home screen with various icons and a search bar. Step 2 shows a list of CME activities with details like title, date, and duration. Step 3 shows a detailed view of a specific CME activity, including a description and a 'Sign Up' button. Red arrows indicate the flow from one step to the next.
