ACTIVITY DISCLAIMER

The material presented here is being made available by the American Academy of Family Physicians for educational purposes only. This material is not intended to represent the only, nor necessarily best, methods or procedures appropriate for the medical situations discussed. Rather, it is intended to present an approach, view, statement, or opinion of the faculty, which may be helpful to others who face similar situations.

The AAFP disclaims any and all liability for injury or other damages resulting to any individual using this material and for all claims that might arise out of the use of the techniques demonstrated therein by such individuals, whether these claims shall be asserted by a physician or any other person. Every effort has been made to ensure the accuracy of the data presented here. Physicians may care to check specific details such as drug doses and contraindications, etc., in standard sources prior to clinical application. This material might contain recommendations/guidelines developed by other organizations. Please note that although these guidelines might be included, this does not necessarily imply the endorsement by the AAFP.

DISCLOSURE

It is the policy of the AAFP that all individuals in a position to control content disclose any relationships with commercial interests upon nomination/invitation of participation. Disclosure documents are reviewed for potential conflict of interest (COI), and if identified, conflicts are resolved prior to confirmation of participation. Only those participants who had no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this CME activity.

All individuals in a position to control content for this activity have indicated they have no relevant financial relationships to disclose.

The content of my material/presentation in this CME activity will not include discussion of unapproved or investigational uses of products or devices.

Amy Mullins, MD, CPE, FAAFP

Medical Director, Quality Improvement, Practice Advancement Division, American Academy of Family Physicians (AAFP), Leawood, Kansas.

Before taking on the role of medical director for quality improvement at the AAFP, Dr. Mullins—who is a board-certified family physician-practiced family medicine at a National Committee for Quality Assurance (NCQA) Level 3 patient-centered medical home (PCMH) in Whitehouse, Texas. In her current position, Dr. Mullins works with other national organizations in the quality arena, and participates in national-level policy and advocacy work that emphasizes practice transformation and payment reform. She has spoken extensively on value-based payment, quality improvement, and the PCMH.

FMX

Learning Objectives

1. Discuss solutions for overcoming barriers to implementing value-based delivery and payment models into practice.

Audience Engagement System

The screenshot displays the Audience Engagement System interface across three steps:

- Step 1:** Home screen with various icons for navigation and a search bar.
- Step 2:** A list of CME activities with details such as title, duration, and date. A red arrow points to the 'Acute Coronary Syndromes: Unchain My Heart' activity.
- Step 3:** Detailed view of the selected activity, including the title, location, date, and a description of the content.
