ACTIVITY DISCLAIMER

The material presented here is being made available by the American Academy of Family Physicians for educational purposes only. Please note that medical information is constantly changing; the information contained in this activity was accurate at the time of publication. This material is not intended to represent the only, nor necessarily best, methods or procedures appropriate for the medical situations discussed. Rather, it is intended to present an approach, view, statement, or opinion of the faculty, which may be helpful to others who face similar situations.

The AAFP disclaims any and all liability for injury or other damages resulting to any individual using this material and for all claims that might arise out of the use of the techniques demonstrated therein by such individuals, whether these claims shall be asserted by a physician or any other person. Physicians may care to check specific details such as drug doses and contraindications, etc., in standard sources prior to clinical application. This material might contain recommendations/guidelines developed by other organizations. Please note that although these guidelines might be included, this does not necessarily imply the endorsement by the AAFP.

DISCLOSURE

It is the policy of the AAFP that all individuals in a position to control content disclose any relationships with commercial interests upon nomination/invitation of participation. Disclosure documents are reviewed for potential conflict of interest (COI), and if identified, conflicts are resolved prior to confirmation of participation. Only those participants who had no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this CME activity.

All individuals in a position to control content for this session have indicated they have no relevant financial relationships to disclose.

The content of my material/presentation in this CME activity will not include discussion of unapproved or investigational uses of products or devices.

David Weismiller, MD, ScM, FAAFP

Professor, Department of Family and Community Medicine, University of Nevada, Las Vegas School of Medicine

Dr. Weismiller is a graduate of Jefferson Medical College of Thomas Jefferson University in Philadelphia, Pennsylvania, and completed his residency at the University of Virginia Health Sciences Center in Charlottesville. He practices family medicine at the new medical school of the University of Nevada, Las Vegas, where he provides full-scope care that includes inpatient and maternity care. A proponent of "reflection in practice" and "learner-centered instruction," he is recognized nationally for his work in continuing medical education and faculty development. Having taught board review programs for the American Academy of Family Physicians (AAFP) for more than 20 years, he is the founding and current chair of the AAFP Family Medicine Board Review Express™ live courses, as well as the AAFP's annual Family Medicine Update live course. He is a frequent presenter at AAFP Family Medicine Experience (FMX) and teaches American Board of Family Medicine (ABFM) Knowledge Self-Assessments throughout the country. Dr. Weismiller is the author of numerous publications on issues related to women's and children's health, and he is an advocate for empowering individuals to make sound health care choices.
