

National Conference of Family Medicine Residents and Medical Students

2017 Pre-registrant List Request

Deadline: June 29, 2017

Studies show that pre-show mailings increase booth traffic and exposure of your program/company's products and services. To help you increase traffic, the National Conference pre-registrants files will be available after July 5, 2017.

Send the following by June 29, 2017:

1. Completed form
2. Mail piece (final proof)

To avoid any unforeseen and/or last minute delays, we suggest you order your list early. Last year's combined list contained 1,000 names and addresses. The AAFP pre-registrants have the option not to receive mail pertaining to the National Conference. Therefore, not all pre-registrants may be included in the file.

We require five business days for approval. To receive the 2017 pre-registrant list, all previous invoices with the AAFP must be paid in full.
