E-MAIL NEWSLETTER & ELECTRONIC TABLES OF CONTENTS (eTOCs)

Each of the AAFP Journals offers an eTOC that delivers an advance look at the table of contents for the next published issue. The eTOC is a text-based e-mail sent to e-mail subscribers.

Pricing for e-mail advertising varies depending on frequency and is structured based on seasonality:

January 1-June 30, 2012: \$0.14 per subscriber

July 1-December 31, 2012: \$0.22 to \$0.28 per subscriber

- AFP eTOCs are published twice a month and are delivered to approximately 95,000 subscribers around the 1st and 15th of every month.
- FPM emails are published monthly and are delivered to approximately 130,000 subscribers. Issue dates for 2012 are: 1/18, 2/14, 3/14, 4/10, 5/16, 6/12, 7/11, 8/14, 9/12, 10/9, 11/14, 12/11.

HYPERLINKING/CLICK-THROUGH

Your ad may link back to your website. All advertising and landing pages are subject to AAFP editorial review and need approval for ads to run on AAFP properties.

INSERTION ORDERS

Insertion orders should contain the following information: product, company, production, contact, phone number, and e-mail address.
