

# FMIG Style Guidelines

When using the FMIG logo with your medical school name or logo, please follow these style guidelines. This logo can be used online, on printed marketing materials, and t-shirts.

- Always center your school name above and between the logo and spelled-out Family Medicine Interest Group. If necessary you may break your school name into multiple lines.
- The FMIG logo may be printed in full color or black.
- Your school name may only be printed in black Helvetica font and centered above the logo.
