

Our practice abides by the contractual and legal obligations of health benefit plans to collect charges, co-pays, co-insurance and deductible amounts owed by patients. Recognizing that circumstances may arise where an individual is unable to pay in full at the time of service, we have adopted a policy of screening requests for discounts, delayed payment plans or forgiveness of debt based on individual circumstances. To do this, we must ask for certain financial information. All information will be held confidential according to our privacy policy. Please provide the documents listed below for each adult family member, and complete this form to the best of your ability:

- A copy of last year’s federal tax return;
- Copies of the two most recent payroll stubs or unemployment benefit payments;
- If income is close to or below the poverty level, documentation that state medical assistance has been applied for and denied.
