

CHECKLIST: EMERGENCY SUPPLIES FOR FAMILY MEDICINE OFFICES

The following checklist of recommended emergency supplies includes many expected items, such as oxygen and nitroglycerin, as well as several items not commonly found in family medicine offices, such as an automated external defibrillator (AED). In deciding whether to include a particular item in your practice, consider your staff members' ability to use the item appropriately and your office's access and proximity to emergency services.

Equipment	Cost	Medications
<input type="checkbox"/> Automated external defibrillator (AED)	\$2,300	<input type="checkbox"/> Acetaminophen (rectal suppositories)
<input type="checkbox"/> Bag mask ventilator (two bag sizes and three mask sizes for adult, pediatric, and infant)	\$19-\$22 per mask and bag	<input type="checkbox"/> Albuterol
<input type="checkbox"/> Blood pressure cuff (all sizes)	\$55-\$236	<input type="checkbox"/> Aspirin, chewable
<input type="checkbox"/> Glucometer	\$10-\$40	<input type="checkbox"/> Ceftriaxone (Rocephin)
<input type="checkbox"/> Intravenous catheter/butterfly needles (18 to 24 gauge)	\$40	<input type="checkbox"/> Corticosteroids, parenteral
<input type="checkbox"/> Intravenous extension tubing and T-connectors	\$1-\$2	<input type="checkbox"/> Dextrose 25% and 50%
<input type="checkbox"/> Nasal airways (one set)	\$7-\$15	<input type="checkbox"/> Diazepam, parenteral (Valium)
<input type="checkbox"/> Nasogastric tubes	\$9-\$25	<input type="checkbox"/> Diphenhydramine, oral and parenteral (Benadryl)
<input type="checkbox"/> Nasal cannula for oxygen	\$28	<input type="checkbox"/> Epinephrine injection (EpiPen and EpiPen Jr.)
<input type="checkbox"/> Nebulizer or metered dose inhaler with spacer and face mask	\$30-\$80	<input type="checkbox"/> Flumazenil (Romazicon)
<input type="checkbox"/> Non-rebreather mask (three sizes)	\$2.49 per mask	<input type="checkbox"/> Lorazepam, sublingual (Ativan)
<input type="checkbox"/> Oxygen mask (three sizes)	\$1-\$2	<input type="checkbox"/> Morphine (MS Contin)
<input type="checkbox"/> Oxygen tank and flow meter	Tank: \$65 (empty) Flow meter: \$50-\$150	<input type="checkbox"/> Naloxone (Narcan)
<input type="checkbox"/> Portable suction device and catheters, or bulb syringe	\$3	<input type="checkbox"/> Nitroglycerin spray
<input type="checkbox"/> Pulse oximeter for child and adult usage	\$179	<input type="checkbox"/> Saline, normal
<input type="checkbox"/> Resuscitation tape (color-coded)	\$120 for a package of five	<input type="checkbox"/> Glucagon
<input type="checkbox"/> Universal precautions (latex-free gloves, masks, and eye protection)	\$12 per kit	<input type="checkbox"/> Atropine
<input type="checkbox"/> CPR barrier device	\$9	<input type="checkbox"/> Lidocaine
<input type="checkbox"/> Blood spill cleanup kit	\$6	
<input type="checkbox"/> Eye wash	\$2	
<input type="checkbox"/> Cardiac board	\$68	
		Other
		<input type="checkbox"/> ECG machine
		<input type="checkbox"/> Condition C cards
		<input type="checkbox"/> Fire extinguisher
		<input type="checkbox"/> Panic button

Note: Prices may vary depending on make, model, quantity ordered, and relationships with medical supply companies or hospitals. Medications are not priced here as quantities will vary based on needs assessment, office size, and proximity to an emergency department.
