

Manuscript title: _____ **Manuscript number:** _____

Corresponding Author: _____

Before your manuscript can be considered for publication in *Family Practice Management*, each author must attest to his or her authorship of the Work, transfer his or her rights in the Work to the AAFP, and provide financial disclosure.

Corresponding author’s statement

The following is a complete list of authors of this manuscript:

Printed names	Printed names
_____	_____
_____	_____
_____	_____

All other persons who have made substantial contributions to the manuscript, including those who provided editing and writing assistance but who are not authors, are named in the Acknowledgment section of the manuscript and have given their written permission to be named. If the manuscript does not include an Acknowledgment section, it is because the authors have not received substantial contributions from individuals not listed as authors.

Please print and sign your name below:

Printed name	Signature	Date

Authorship and copyright statements (all authors including corresponding author)

Each author should complete (a) or (b) below.

(a) Copyright assignment. I have participated sufficiently in the development of the content and form of this work and the writing of the manuscript to take public responsibility for it. I represent and warrant that my contribution is original and that I am the sole owner of that contribution and have full power to make the following grant:

Upon the Academy's written acceptance of my work, I hereby automatically and irrevocably transfer to the AAFP all rights, title and interest to the work, including, without limitation, copyright ownership. This transfer is made in consideration of the editorial and publication expenses and the professional benefits of publication. I understand that permission for reprinting in other publications must be obtained in writing from the AAFP.

Neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere, except as may be described in an attachment to this statement.

(b) Statement of federal employment. I have participated sufficiently in the development of the content and form of the Work and the writing of the manuscript to take public responsibility for it. I represent and warrant that my contribution is original. Neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere, except as may be described in an attachment to this statement.

I was an employee of the U.S. federal government when this work was prepared for publication. Therefore my contribution is not protected by the Copyright Act, and there is no copyright of which I can transfer ownership.

Family Practice Management authors

Continued

All respondents, please answer the following questions:

1. Did a pharmaceutical company, public relations firm or any commercial entity sponsor the substance or creation of your article directly or indirectly? Yes No
2. Was the topic of your article suggested by a medical communications company or a commercial entity producing health care goods or services? Yes No
3. Was the topic of your article suggested by an advisory panel that receives support (for example, educational grants) from a commercial entity? Yes No
4. Does your article incorporate, or is any part of it based on, slides or other materials provided by a commercial entity? Yes No
5. Does your article incorporate information or data obtained from commercial speaker training? Yes No

Note: Our conflict of interest policy precludes our considering papers that are sponsored directly or indirectly by a pharmaceutical company, medical communications company, or other commercial entity, or those written by an author who has a financial relationship with or interest in any commercial entity that may have an interest in the subject matter of the article within the previous 36 months. We also prefer that neither our authors nor members of their immediate families have a financial interest in or arrangement with any commercial organization that may have a direct interest in the subject matter of this article. If you develop new financial interests in or arrangements with a relevant organization after the time you completed this Author Disclosure form and submitted your manuscript, but prior to publication, please update your form and send it to our editorial office at the address below. Changes in such affiliations might preclude your paper from publication.

I have read the AAFP policy on full disclosure (available online at <http://www.aafp.org/journals/forms/coipolicy.pdf>). If I have indicated a financial relationship or interest, I understand that this information will be reviewed to determine whether this relationship precludes my participation, and that I may be asked to provide additional information. I understand that failure or refusal to disclose, false disclosure, or inability to resolve conflicts of interest will disqualify me from participating in this activity. I represent and warrant that the information provided by me in this form is complete, true and accurate.
