AMERICAN ACADEMY OF
FAMILY PHYSICIANS
STRONG MEDICINE FOR AMERICA

Conference Highlights

Education

- Choose from **more than 45 workshops** on 20 topic areas, such as curriculum, program director development, and assessing competency in residents.
- **Share solutions** with other program directors and associate program directors. In 2011, 100% of surveyed attendees said they would recommend the conference to colleagues.
- Browse through **posters** displaying program experiences from across the country.
- Attend the **Innovation Showcase** to learn about successes and challenges of 10 cutting-edge innovations tested by your colleagues at other family medicine residencies.
- Get the latest information on issues most important to you and your program. **Unopposed discussion forums** with the ACGME Review Committee – Family Medicine and the American Board of Family Medicine will allow you to ask questions and get answers.
- Hear **invigorating plenaries** offering need-to-know information.

Events

- **Reception** – Network with colleagues over appetizers, followed by AFMRD's NIPDD Graduation.
- **Networking Breakfasts** – Participate in networking breakfast tables on topics important to family medicine residencies.

“The workshops, plenaries, and networking are consistently a life preserver for me in my job. I am grateful for the annual opportunity.”

– 2011 Attendee
