Note: Our conflict of interest policy precludes our considering papers that are sponsored directly or indirectly by a pharmaceutical company, medical communications company, or other commercial entity. We also prefer that neither our authors nor members of their immediate families have a financial interest in or arrangement with any commercial organization that may have a direct interest in the subject matter of this article. If you develop new financial interests in or arrangements with a relevant organization after the time you completed this Author Disclosure form and submitted your manuscript, but prior to publication, please update your form and send it to our editorial office in Washington, DC. Changes in such affiliations might preclude your paper from publication.

I have read the AAFP policy on full disclosure (available online at <http://www.aafp.org/journals/forms/coipolicy.pdf>). If I have indicated a financial relationship or interest, I understand that this information will be reviewed to determine whether this relationship precludes my participation, and that I may be asked to provide additional information. I understand that failure or refusal to disclose, false disclosure, or inability to resolve conflicts of interest will disqualify me from participating in this activity. I represent and warrant that the information provided by me in this form is complete, true and accurate.
