**Translation to Practice® CME: Part 1**

**Commitment to Change**

Based on what you learned in the CME Activity, “[Insert Activity Title]”:

1. Summarize what you learned.
  
  
  
  
  
  
  
  
  
  
2. As a result of the education, you plan to: (Learner checks all that apply)
  - Seek additional reading related to the education
  - Share the information/collaborate with colleagues
  - Research supplementary information to support your learning
  - Alter the methods in which you care for patients
  
  
  
  
  
  
  
  
  
  
3. Describe your motivation for implementing the change.

By implementing this change, I believe that the following will be improved: (Learner checks all that apply)

- [Knowledge](#)    [Performance](#)    [Competence](#)    [Patient Care](#)
