

# Free Support. Serious Advantage.

AAFP Student Membership gives you the tools, guidance and connections to succeed in medical school—and beyond—for free.

Build clinical foundations relevant to any specialty.

Learn the principles of preventive, whole-person care.

Discover whether family medicine aligns with your goals.

## Your membership also includes:

- Free, all-access digital subscription to *American Family Physician* for trusted clinical guidance during rotations
- Match and residency application guides
- Discounted registration for FUTURE and other AAFP events
- Scholarships, grants and leadership opportunities
- State chapter membership
- Health policy and patient advocacy experience

**No dues. No catch.**  
**Just real support for your career journey.**
