History of the AAFP Board of Directors

1947-2027

FOREWORD

This history of the American Academy of Family Physicians Board of Directors, compiled for the first time in 1979 by the then retiring Academy treasurer, has been updated to include information for the years June 1947 through October 2026. It also includes the dates and sites for the meetings of the Congress of Delegates.

HISTORY OF THE BOARD OF DIRECTORS OF THE AMERICAN ACADEMY OF FAMILY PHYSICIANS 1947 – 2026

Upon approaching the termination of my service on the Board of Directors of the American Academy of Family Physicians, I have become somewhat sentimental about the last seven years and the close ties to the thirty–six physician couples and the staff with whom Jeanne and I have been associated.

In thinking about the past seven years of Board activity, and the preceding ten years spent as a member of the Congress of Delegates of the American Academy of General Practice/Family Physicians, I became curious about the prior Boards of Directors; who they were, where they came from, and how long and in what positions they served. With the help of Claudene Clinton, I have gathered the attached documented data, have investigated the material, and have highlighted some interesting facts that most of us have not remembered or possibly not known.

The first Board of Directors of the American Academy of General Practice was formed in June 1947. The first term of office for president and treasurer ran from June 1947 to March 1949. At the first meeting of the Congress of Delegates in June 1948, a new Constitution and Bylaws was adopted which resulted in changes in some officers.

Officers the first year, (June 1947 to June 1948) were the president, vice president, treasurer, and secretary. In June 1948, the directors' terms were extended by one year, and an executive secretary was hired, Mr. Mac F. Cahal, replacing the elected secretary, Stanley R. Truman. Elmer C. Texter, the first vice president, was elected president–elect to take office as president beginning March 1949. Jason P. Sanders was named vice president and Rufus B. Robins was elected Speaker of the Congress. Also at the June 1948 meeting, Stanley R. Truman was elected president–elect for 1949–50 and three directors were elected for terms to run from March 1949 to March 1952. No election was held at the 1949 Congress.

Terms of office have varied through the years as annual meeting dates were changed:

June 1947 to June 1948;
June 1948 to March 1949;
March to March/April 1949 – 1965, and
September/October to September/October 1966 through current year.

The first president, Paul Davis of Ohio, also chaired the meetings of the Board of Directors. His term as president (6/47–3/49) was followed by a three–year term as a director and he was first to hold the office of Chair of the Board (3/49–3/50).

The following pages contain:

(1) Annual listings of officers and Board of Directors,

(2) List by chapters of the officers and directors,

(3) The number of years served by each individual.

I hope that the material contained in these pages is of interest to you. I have enjoyed putting it together and wish to thank staff for helping.

Respectfully yours,

Frederic L. Schoen, MD
Retiring Treasurer, 1979

(Note – from *1949 Transactions* [p. 35], "In response to a number of questions from delegates, the speaker called upon Mr. Cahal for an explanation of why there was no provision on the agenda for the election of officers. Mr. Cahal explained that the Academy went through a complete reorganization in June of 1948 when the Congress met in Chicago and enacted a revised Constitution and Bylaws which provided for certain new offices and dropped others. When the report of the Nominating Committee was made, it was moved and duly carried that the officers elected at that meeting would not take office until time of the 1949 Assembly and would serve a year's term of office from that date.")
