

Poster Session

Family-Centered Pregnancy Care

A non-CME Poster display will be held on Monday, August 19 through Wednesday, August 21, 2024. There will be 22 posters allowed.

Posters should include the following information, including, poster title, author(s), contact information, short abstract (not to exceed 200 words), full abstract to attach, and IRB letter, if applicable. Poster categories can include: research, clinical inquiry, educational program, or community project.

Creating a Successful Poster Plan

- **Size** – 40 x 60 inches maximum (portrait or landscape)
- **Text** – amount of copy, font type and size
- **Images and graphics**

Display Options (**Poster will be displayed on an Easel. The hotel will not allow hanging on the walls**)

- Foam board (will need to be able to stand on the easel unassisted). AAFP will provide a minimum quantity, so please bring your own or purchase at a location onsite.
- **NOTE: One** easel per poster.

Selecting Poster Content

Describe all parts of the research, educational program or community service project, including why it did or did not work.

- Background
- Hypothesis/program or project objectives
- Research design/program or project description
- Results/evaluation
- Conclusion(s)
- Future plans
- References

Present a clinical scenario with discussion of an actual patient presentation or review current evidence-based recommendations for a clinical topic.

Clinical case presentation

- Introduction
- Case description
- Discussion of current practice guidelines for management of the patient

Evidence-based review

- Evidence summary
- Recommendations from others
- Clinical commentary

**Please email copy of your poster for approval by Friday, July 26, 2024
to Karla Krause at kkrause@aafp.org.**
