

# Poster Session

---

## Skin Conditions and Diseases

---

Non-CME Posters will be displayed:

Wednesday, November 6 – 11:30 am – 5:15 pm

Thursday, November 7 – 7:30 am – 12:30 pm

Posters should include the following information, including, poster title, author(s), contact information, short abstract (not to exceed 200 words), full abstract to attach, and IRB letter, if applicable. Poster categories can include: research, clinical inquiry, educational program, or community project.

### Creating a Successful Poster Plan

- Size – 22 inches by 28 inches maximum (portrait or landscape)
- Text – amount of copy, font type and size
- Images and graphics

### Display Options (Poster will be displayed on an Easel)

- Poster board (AAFP will provide **ONLY** an easel – please provide your own poster board)

### Selecting Poster Content

Describe all parts of the research, educational program or community service project, including why it did or did not work.

- Background
- Hypothesis/program or project objectives
- Research design/program or project description
- Results/evaluation
- Conclusion(s)
- Future plans
- References

Present a clinical scenario with discussion of an actual patient presentation or review current evidence-based recommendations for a clinical topic.

### Clinical case presentation

- Introduction
- Case description
- Discussion of current practice guidelines for management of the patient

### Evidence-based review

- Evidence summary
- Recommendations from others
- Clinical commentary

Please email copy of your poster for approval by Friday, October 4, 2019 to Nina Carnoali at [ncarnoali@aafp.org](mailto:ncarnoali@aafp.org)
