## 2023 RATES ANNOUNCEMENT & POLICIES, continued

**FPM** (*Family Practice Management*), ISSN 1069-5648 (Online 1531-1929), is the AAFP's editorially independent, peer-reviewed practice enhancement journal. Published bimonthly in print and online, *FPM* provides practical advice to help physicians and others in primary care excel in:

- Improving quality and delivery of care
- Optimizing care teams
- Implementing evidence-based medicine
- Enhancing payment
- Increasing career satisfaction
- Achieving life balance

Subscription includes:

- One year of practical, peer-reviewed advice to help advance those in primary care's practice, patient care, and career
- Up to 36 free CME credits per year (for individual subscribers only)
- The print edition (six issues)
- Unlimited access to the *FPM* website, including the latest issue, downloadable tools, and an extensive archive
- The journal is indexed in CINAHL.

*FPM* (*Family Practice Management*) is indexed in MEDLINE.

**FP Essentials** (*FPE*), ISSN 2159-3000 (Online 2161-9344), is an editorially independent, peer-reviewed publication of the American Academy of Family Physicians (AAFP). It, and its derivative product *FP Comprehensive*™, are produced to assist family physicians and other learners in meeting their continuing medical education (CME), practice, and board certification goals. The mission of *FP Essentials* is to provide practicing family physicians, family medicine residents, and other clinicians and trainees with high-quality, cost-effective educational content that emphasizes new advances in clinical practice.

Objectives

1. To provide learners with information on advances in clinical practice to aid them in providing up-to-date care for their patients.
2. To assist learners in preparing for the American Board of Family Medicine (ABFM) certification and recertification examinations. Each monthly edition of *FP Essentials* is part of a 3-year curriculum that presents topics with areas of emphasis similar to those on the ABFM examinations.
3. To provide learners with content that meets their CME needs and requirements.
4. To present the content of – in both print and online formats, thus enabling learners to have access to information anywhere, anytime.

### Residency Programs & Institutions

Residency programs and institutions can purchase site-wide online access to *FP Essentials*, with or without supplemental print copies. The annual subscription term includes online access via IP address to the most current 2 years of *FP Essentials* content.

*FP Essentials* monthly monographs provide residents and learners with peer-reviewed clinical information on issues they are most likely to see in family medicine practice. Each monthly edition provides a comprehensive review and new information on diagnostic methods, treatments, and guidelines on a subject important in family medicine.

Subscribers receive access to *FP Essentials*' high-quality, in-depth educational content that emphasizes the latest clinical guidance on key family medicine topics, so your residents and learners can brush up on their knowledge and stay up to date.

Thank you for your continued partnership. Please feel free to contact the subscription staff with questions. Frances Spitsnogle and Rebecca Harp are your primary contacts for orders, claims, payments, and site license inquiries.
