

<b>RESOLUTIONS</b>					
	<i>family physicians be appropriately reimbursed for office inspections and chart audits for managed care companies, done for the purpose of managed care company certification.</i>				
<b>106</b>	<p><b>Nurse Practitioners</b>  <i>RESOLVED, That the AAFP be urged to rigorously resist the movements of nurse practitioners toward independent practice, and be it further</i>  <i>RESOLVED, That the AAFP be charged to actively assist constituent chapters that wish to oppose independent practice for nurse practitioners.</i></p>	Special Issues	6-7	Adopted as current policy	No referral necessary
<b>107</b>	<p><b>“SWAT” Team Needed for Family Physicians in Privileging Battles</b>  <b><u>Resolution No. 107 as Amended from the Floor:</u></b>  <i>RESOLVED, That the AAFP will develop a list of members who are willing to be a part of a “strategic strike force” team and develop a strategy for assistance and potential intervention at all stages of the privileging process. This team would, when needed, travel and testify on behalf of family physicians battling for their privileges.</i></p>	Special Issues	7-8	Adopted as amended from the floor	Quality & Scope of Practice
<b>108</b>	<p><b>Medical Expert Testimony Peer Review Process</b>  <i>RESOLVED, That the Board of Directors of the American Academy of Family Physicians shall present a Bylaws amendment to the 2004 Congress of Delegates which will establish a peer review process for medical expert testimony given by members of the AAFP that may only be activated by another member’s request, and be it further</i>  <i>RESOLVED, That any medical expert peer review process established by the American Academy of Family Physicians shall include sanctions for providing false or misleading expert testimony and that such sanctions shall include, but not be limited to, a written reprimand, membership suspension and membership revocation.</i></p>	Special Issues	3-4	Not Adopted	
<b>109</b>	<p><b>Tort Reform</b>  <i>RESOLVED, That the AAFP support the use of the Federal Tort Claims Act as a model for national tort reform, and be it further</i>  <i>RESOLVED, That the AAFP advocate for private physicians caring for these populations to have the option for coverage under the Federal Tort Claims Act.</i></p>	Special Issues	4	Referred to the Board of Directors	Legislation & Governmental Affairs
<b>110</b>	<p><b>VA and Dual Providers</b>  <i>RESOLVED, That the AAFP encourage the VA system to allow prescriptions written by non-VA providers to be filled in VA pharmacies, and be it further</i>  <i>RESOLVED, That the AAFP support and encourage the VA to accept the “one provider” concept and remove policies which interfere with and complicate the provider-patient relationship.</i></p>	Special Issues	8	Adopted	Health Care Services
<b>111</b>	<p><b>Accurate Portrayal of Statistical Facts Regarding Professional Liability Crisis</b></p>	Special Issues	5	Referred to the Board	Commission on

RESOLUTIONS					
	<p><i>RESOLVED, That the AAFP pursue development of a uniform relational and searchable database regarding each state's actual and verifiable professional liability insurance and claims status for the last 10 years, which will include at a minimum:</i></p> <p>(A) <i>Range and median PLI insurance costs for 1M/3M and 250/750 coverage for family medicine (with and without OB or major surgery), according to risk areas within the state, if applicable (e.g., Florida has 3 different rated regions)</i></p> <p>(B) <i>Number of lawsuits for each of these years which were filed, settled, and won and lost at trial. Actual counted data is most important; estimates must reference what methodology was used to derive the estimate</i></p> <p>(C) <i>Description of monetary awards (to the best available research, and labeled wherever data cannot be determined) for settled and tried suits, including identification of award portions for medical costs, economic damages, non-economic damages, and punitive damages</i></p> <p>(D) <i>Enumeration of the number of physicians involved, and how many were "repeat" defendants for the 10 years</i></p> <p>(E) <i>Analysis of the specialties represented by the above physicians, and calculation of specialty-specific rates</i></p> <p>(F) <i>Evaluation of whether "losing" defendant physicians had discipline by the state Board of Medicine related to the case in question; and be it further</i></p> <p><i>RESOLVED, That the constituent chapters of the AAFP be requested to aid, as needed, in this work to the best of their ability.</i></p>			of Directors	Legislation & Governmental Affairs
201	<p><b>The Specialty of Family Medicine</b> <b><u>Substitute Resolution No. 201:</u></b> <i>RESOLVED, That the American Academy of Family Physicians replace the term "family practice" with "family medicine" when referring to our specialty, and be it further</i> <i>RESOLVED, That the American Academy of Family Physicians replace family practitioner with family physician when referring to family physicians, and be it further</i> <i>RESOLVED, That the AAFP encourage the American Board of Family Practice to change its name to the American Board of Family Medicine.</i></p>	Organization & Finance	8-9	Substitute Adopted	Board of Directors
202	<p><b>Changing the Specialty Name to Family Medicine</b> <i>RESOLVED, That the AAFP actively encourage the use of the term "family medicine" in reference to the specialty, and be it further</i> <i>RESOLVED, That the AAFP encourage the American Board of Family Practice to change their name to the American Board of Family Medicine.</i></p>	Organization & Finance	9	Substitute Resolution No. 201 adopted in lieu of Resolution No. 202	
203	<p><b>Delegation Representation for National Conference of Special Constituencies</b> <i>RESOLVED, That the American Academy of Family Physicians Congress of Delegates</i></p>	Organization & Finance	9-11	Not Adopted	

RESOLUTIONS					
	<i>preserve two delegates and two alternate delegates for the new physicians special constituency, and be it further RESOLVED, That the American Academy of Family Physicians designate six delegates and six alternate delegates, separate from the new physicians delegates, maintaining to the same number of special constituency delegates seated at the 2002 Congress of Delegates, for representation of the special constituencies.</i>				
204	<b>Special Constituencies and Congress of Delegates Positions</b> <i>RESOLVED, That the American Academy of Family Physicians' Congress of Delegates continue two delegate positions and two alternate delegate positions for the New Physicians special constituency, and be it further RESOLVED, That the American Academy of Family Physicians' Congress of Delegates designate six unassigned delegate positions and six unassigned alternate delegate positions for representation of the special constituencies separate from the New Physicians delegate positions and alternate delegate positions. AAFP members to fill these six positions will be determined by the National Conference of Special Constituencies.</i>	Organization & Finance	9-11	Not Adopted	
205	<b>Senior Constituency</b> <i>RESOLVED, That a new subcommittee of CSC be recognized as the Senior Constituency</i>	Organization & Finance	12	Referred to Board of Directors	Committee on Special Constituencies
301	<b>Promoting Preventive Care Reimbursement</b> <u><i>As Amended from the Floor:</i></u> <i>RESOLVED, That the American Academy of Family Physicians work with the United States Congress, payors, other medical associations and other appropriate organizations to promote reimbursement for evidence-based preventive interventions for all patients.</i>	Health Care Services	3	Adopted as amended from the floor	Health Care Services
302	<b>Behavioral HealthCare in Family Practice</b> <u><i>Substitute Resolution No. 302:</i></u> <i>RESOLVED, That the AAFP shall continue to address the legislative and administrative remedies to ensure proper recognition and reimbursement of behavioral health care services provided by family physicians at the national level, and be it further RESOLVED That the AAFP, through the Residency Review Committee for Family Practice, continue to encourage family practice residencies to provide the proper exposure and training to future family physicians in primary behavioral healthcare, including recognition, effective brief office interventions and the various models of integration of family practice with primary behavioral healthcare that are emerging.</i>	Health Care Services	1-2	Substitute Adopted	1 <sup>st</sup> Resolved – Health Care Services  2 <sup>nd</sup> Resolved -- Education
303	<b>Medicare Coverage of Diabetic Medications</b> <i>RESOLVED, That the AAFP engage the Centers for Medicare and Medicaid Services (CMS) in a discussion aimed at leading to the</i>	Health Care Services	4	Not Adopted	

RESOLUTIONS					
	<i>provision of Medicare coverage of appropriate diabetic medications.</i>				
304	<b>Policy on Insurance Preauthorization</b> <i>RESOLVED, That the AAFP draft policy that preauthorizations for medical procedures and tests are the responsibility of the institution providing the service.</i>	Health Care Services	5	Referred to Board of Directors	Health Care Services
305	<b>AAFP Actively Address All Issues Within Healthcare Policy</b> <i>RESOLVED, That the AAFP be encouraged to continue to address issues within American healthcare regardless of their potential for being divisive, and be it further</i> <i>RESOLVED, That the AAFP work to identify and address issues of disparity and discrimination that exist within healthcare, including policies that discriminate against people on the grounds of sexual orientation, gender, race, age, handicap, or economic status.</i>	Health Care Services	10	Reaffirmed as current policy	No referral necessary
306	<b>Electronic Health Record</b> <i>RESOLVED, That the AAFP be committed to the goal that by 1/1/2009, an open source electronic health record will be available to all family physicians and supported by the AAFP, and be it further</i> <i>RESOLVED, That the open source electronic health record supported by the AAFP be conducive to data mining and other functions in support of practice-based research and quality improvement initiatives, and be it further</i> <i>RESOLVED, That the AAFP move forward with all due diligence, in implementing its plan for an open source electronic health record as the means by which the goal of universal use of the electronic health record by family physicians will most likely be achieved, and be it further</i> <i>RESOLVED, That by 1/1/2014 all practicing family physicians will be using an electronic health record in their office practice.</i>	Health Care Services	3	Referred to Board of Directors	Commission on Health Care Services
307	<b>Coding and Documentation Guidelines/ Revise Current Compensation System</b> <i>RESOLVED, That the AAFP explore, with the American Medical Association, changes to the coding and documentation guidelines that would compensate the evaluation and management of care codes on an equitable basis with procedural care.</i>	Health Care Services	4	Not Adopted	
308	<b>Compensation for Paperwork</b> <i>RESOLVED, That the AAFP work with the American Medical Association to develop codes and compensation for non face-to-face patient care and required paperwork to include but not limited to laboratory results review, documentation time, insurance forms, Family Medical Leave Act (FMLA) forms, and HMO authorization forms.</i>	Health Care Services	5	Not Adopted	
309	<b>Certificate of Medical Necessity Paperwork/ Durable Medical Equipment Prescriptions</b> <u><b>Substitute Resolution No. 309:</b></u> <i>RESOLVED, That the AAFP work with the appropriate groups to standardize, simplify and</i>	Health Care Services	7	Substitute Adopted	Health Care Services

RESOLUTIONS					
	<i>improve the format of all paperwork required to be filled out and/or signed by physicians.</i>				
310	<p><b>HIPAA</b>  <i>RESOLVED, That the AAFP urge Congress to evaluate the current implementation of HIPAA and to direct HHS to revise regulations so as to more closely resemble that which was passed by the will of Congress, and be it further</i>  <i>RESOLVED, That the AAFP work with Congress and regulators to revise and refine the current HIPAA regulations to reflect their original intent.</i></p> <p><b><u>Reference Committee Recommendation:</u></b>            That Resolution No. 310 be referred to the Board of Directors for further investigation and appropriate follow-up with a report back to the 2004 Congress of Delegates on its findings and actions.</p>	Health Care Services	7-8	See Reference Committee Recommendation	
311	<p><b>Electronic Medical Records</b>  <i>RESOLVED, That AAFP seek to promote electronic medical records that are accessible to both hospitals and the out-patient setting in order to improve patient safety.</i></p>	Health Care Services	10	Reaffirmed as current policy	No referral necessary
312	<p><b>Family Physician VBAC Standard of Care</b>  <i>RESOLVED, That the AAFP adopt a policy that family physicians with privileges for labor and delivery may deliver VBAC patients if a physician with credentials to perform a cesarean section is immediately available when a patient who has previously had a cesarean section is in active labor.</i></p>	Health Care Services	8	Not Adopted	
313	<p><b>Collaborative Care</b>  <i>RESOLVED, That the American Academy of Family Physicians recognize the accomplishments of the President's New Freedom Commission's Report on Mental Health, and be it further</i>  <i>RESOLVED, That the AAFP offer its support to achieve the Commission's goal of establishing effective collaborative care services, and leadership to help improve the training of providers at the interface of primary care and mental health, and be it further</i>  <i>RESOLVED, That the AAFP develop standards for the recognition and reimbursement of those providers who provide collaborative care.</i></p>	Health Care Services	2	Referred to Board of Directors	Health Care Services
