

# AN OUNCE OF PREVENTION

## WHERE HEALTH IS PRIMARY.

 **Health is  
Primary**

BROUGHT TO YOU BY AMERICA'S FAMILY PHYSICIANS

Patients with access to primary care are more likely to receive preventive services and timely care before their medical conditions become serious – and more costly to treat.

Family doctors work with their patients to keep them healthy. We want to ensure that all patients have access to and use regular preventive care.

Let's make health primary in America.
