Usage

This seal has been created for providers whose CME activities have been vetted and approved by the AAFP Credit System’s thorough CME review process. It reinforces the power of AAFP CME credit. It is a digital seal (logo) the team will share with providers as part of their process for approving CME.

This seal serves as a visual stamp of approval and can be used any place providers use AAFP credit statement today, which includes print, exhibit, digital (email/social), etc.
