Part III – FMX Celebration–Friday, October 2

Pick your experience! You and your guests can enjoy an evening with the Colorado Symphony or a night at the Denver Art Museum. You may select one complimentary ticket for either event, based on availability. Guest tickets may be purchased for an additional fee.

If the event you chose is sold out, we will place you in the other event unless you check this box.

Colorado Symphony — Back by popular demand, spend the evening with the Colorado Symphony and enjoy a Masters Series performance highlighting the works of Mozart. *Don't delay, this option sold out quick in 2010.*

Denver Art Museum — The Denver Art Museum is one of the largest art museums between Chicago and the West Coast, with a collection of more than 70,000 works of art divided between 10 permanent collections including African, American Indian, Asian, European, and American, modern and contemporary, pre-Columbian, photography, Spanish Colonial, textile, and western American art.

Featured Exhibition:

In Bloom - Painting Flowers in the Age of Impressionism

In Bloom explores the development of nineteenth-century French floral still-life painting, and features about 60 paintings by Édouard Manet, Edgar Degas, Pierre-Auguste Renoir, Paul Cézanne, Vincent Van Gogh, and others.

The colorful exhibition demonstrates how a traditional genre was reinvented by nineteenth-century artists, as the art world's focus was shifting to modernism.

Dining Options — Right outside the art museum, you can try the hippest dining experience from popular Denver food trucks. These food trucks have been invited by the AAFP, especially for the FMX Celebration. A variety of food will be available for purchase.
