

# Family Medicine for America's Health

**Family Medicine for America's Health (FMAHealth)** is a collaboration among the eight leading family medicine organizations formed to demonstrate the power of primary care to lower cost, improve quality and the health of communities around the country, while increasing the joy in the practice of healthcare to practitioners and patients alike.

## WANT TO GET INVOLVED?

Sign up for FMAHealth monthly updates at [FMAHealth.org](http://FMAHealth.org)

Look for a redesigned [FMAHealth.org](http://FMAHealth.org) to be launched in September!
