### Different Faculty Roles

- Medical school
  - Everybody teaches, primary role may differ
    - Clinical (inpatient, outpatient, hospital medicine, OB)
    - Education (e.g. curriculum development, M1-M2 education)
    - Research/Scholar
  - Administration
    - Medical student director
    - Resident program director
    - Chair
    - Dean
    - Medical school work (Admissions committee, etc)

AAFP NATIONAL CONFERENCE

### Division of Time According to Roles

- 1.0 FTEs per week (full-time)
- Examples
  - Clinician 0.7 FTE clinical, 0.3 education
  - Research 0.2 FTE clinical, 0.8 research (grant work)
  - Administration - 0.4 clinical, 0.6 admin/education/scholarly activity

AAFP NATIONAL CONFERENCE

### Division of Time According to Roles

- Tends to be progression from more clinical to less clinical as more admin/education/research responsibilities
- Here's where you negotiate
  - "Buying-out" your clinical time

AAFP NATIONAL CONFERENCE

### Community Residency Settings

- Roles very similar
  - Resident precepting
  - Medical students present, but perhaps no M1-M2 teaching
  - Administration (Program Director, Chair/Chief, clerkship director)
  - Curricular development
  - Research/scholarly activity (presentations, writing, committees and organizations, etc)

AAFP NATIONAL CONFERENCE

### Community Residency Settings

- Still have 1.0 FTE
- Negotiate with program director/chief/chair division of time
  - Clinical responsibilities
  - Inpatient/OB/outpatient clinical time
  - Program responsibilities
  - Scholarly activity
