

STFM Residents as Educators (RAE) Curriculum

Sonya Shipley, MD
Meaghan Ruddy, MA, PhD, BCC

Disclosure

- Drs. Shipley and Ruddy are both members of the STFM Faculty for Tomorrow Taskforce
 - Taskforce related expenses reimbursed
- No direct remuneration for services
- No financial compensation for RAE

Objectives

- Describe the need for and the components of the STFM Faculty for Tomorrow Residents as Educators Curriculum
- Explain the value of explicit and intentional residents as educators curricula for generating interest in academic family medicine
- Analyze the feasibility of engaging the proposed curriculum in their programs

Faculty for Tomorrow (F4T) Taskforce

STFM Board discussed and approved goals (August 2014):

1. Expand STFM's formal faculty recruiting efforts of residents
2. Provide resources and training for new faculty, including those moving from private practice to family medicine education
3. Identify and support young family physicians with leadership potential
4. Ensure leaders of institutions understand the time and competencies required to be faculty

RAE addresses 1-3
