ANNUAL BUSINESS MEETING**

March 25, 2018

4:00 – 6:00 p.m.

Room: Benton

SHERATON KANSAS CITY HOTEL AT CROWN CENTER
KANSAS CITY, MO

March 25, 2018

Greeting Nursing Colleague:

I am pleased to welcome you to Kansas City and to the 2018 RPS Residency Education Symposium. I am confident that you will find this conference not only educational but you will have the chance to meet many nursing colleagues and hopefully develop a rich network to discuss common topics with. Don't forget to take a little time to have fun too!

Attached is the agenda and information related to the Annual FMRNA Business Meeting. The meeting is scheduled for 4:00 – 6 p.m. on Sunday, March 25, in the Benton Conference room on the Mezzanine Level of the Sheraton Hotel. We, the Board of FMRNA, cordially invite you to attend this meeting regardless of your membership with FMRNA. All nursing colleagues are welcome (RN, LPN, MA, and Nurse Managers).

Please take time to review the materials in this packet prior to the meeting. Each committee chairperson has prepared an annual report, and will present this information at the meeting. These reports provide valuable insight into committee activities. In addition, we will ask you, as members, to vote on the incoming officers and Committee Chairs that support the organization. Last year we voted to combine our Standards and Research Committees.

I am thankful for both members and non-members for attending this annual business meeting. What we all do in our residency programs is unique and hard to explain to colleagues who work in other areas of health care. I would encourage you all to get active in the organization because as we know, "there is strength in numbers" and I would add wisdom in numbers as well.

Your FMRNA Board members can be identified by a ribbon on our badge, or stop by our promotions booth. We would love to talk with you about Committee or Board opportunities and learn how FMRNA can support your residency practices.

Thank you for the opportunity and privilege of serving you this past year.

Sincerely,

The 2018 FMRNA Board

State of FMRNA

Kathy Morin, RN, President

"Hardships often prepare people for an extraordinary destiny."

- C.S. Lewis

My State of FMRNA address this year focuses on how our organization has grown in the past year. When we got back from RPS last year, we were dealt with the realization that we only had 45 active members and that included the members of this board. This was a "do or die" moment and I am proud to say that as I type this document, we are currently at 76 active members! I am confident that our numbers will continue to grow but it is going to require all of our passion and desire to keep this ball rolling. I can't say enough about the commitment and amount of work that our Membership Chair, Alice Brown, has put in to our growth since we were here last year. We knew that we needed to keep our organization progressive so over the past few years we have developed a new website and a face book page. We also have worked hard to send out our quarterly newsletter highlighting articles that are relevant to the work being done in residencies everywhere. We added "Toss a Topic" to keep our members connected on the list serve and I have enjoyed the responses and support that this communication offers.

We all are witness to the changes in our healthcare system and the need for more family medicine physicians. While there still is a shortage of family medicine physicians, hearing that there are several new residencies opening up throughout the country is encouraging. As nurses we all care for a patient population that can be a challenge and then along with this we are teaching resident physicians how to communicate and care with kindness and compassion. We are employed to teach patients, residents and also to stay current with our own education.

FMRNA is here to serve nurses in residency programs who are on the front lines working directly with patients and who are in all forms of management positions. We are an organization made up of nurses who know how important it is to network with others who are doing exactly what we are also doing in our residency programs. We are here to pass on education and offer ideas and creative ways to deliver care and educate residents. We are also here to support and hold each other up when we are dealt with constant changes and frustrations. Bottom line, no one but other residency nurses can truly understand why we are a unique group of caregivers!

I would encourage us all to be active members in our FMRNA because we understand the value of each nurse's contribution and we are poised to be a strong voice for residencies nationwide.

Sincerely,

Kathy

Call to order	President Marcia Snook called the meeting to order at 1603.	
President's welcome and remarks.	Marcia welcomed all to the meeting. Marcia informed group this was her last year as president and introduced Kathy as the next FMRNA president elect. She explained that we are a unique subset of nurses with a diverse list of duties. She added that FMRNA is here to help its members, and that the organization is always looking for ways to grow and recruit people to our organization. She reminded everyone that we can share the work that is done, and not reinvent the wheel. She encouraged attendee's that everyone has something to offer and to please get involved.	Welcome Marcia's tenure as president is over and Kathy Morin introduced as president-elect FMRNA is here to help its members, and our goal is grow the organization.
Approval of minutes	Secretary asked for a motion to accept minutes from 2016 Annual Meeting. Motion made by Mary Beth McLellan and seconded by Kate Dosenovich...no discussion.	Annual meeting minutes from 2016 approved.
Treasurer's report	Treasure Mary Beth McLellan gave the treasure's report. She announced that the FMRNA's ending balance is \$12,106.96. She went down the list of income and expenditures for 2016, giving a brief explanation of each.	FMRNA balance is \$12,106.96
Committee Reports:	Membership- Alice Brown, RN Promotions and Communications-Kathy Morin/Marcia Snook Programs-Kathy Morin, RN Research-Kate Dosenovich, RN Standards and Bylaws-Joy Allen, RN	Each committee chair gave a brief description of their committee and function. All chairwomen encouraged participation on a committee.
Annual Pre-Conference report	Kathy Morin gave a run down on the pre-con topics and attendance for this year. She encouraged others to present at this conference, even if they are in the middle of a project or work transformation. Bring that to the conference and present works in progress.	Very successful Pre-Con again this year.
Nominations/Slate of Officers	Marcia addressed the members on needing a vote to combine the committee chair of research and standards together. This is primarily due to the size of the membership thus adjusting the FMRNA board accordingly. Marcia called for a vote to accept combining the research and program chairperson. Motion made by Kathy Morin and second by Lisa Reiman Strand Kay Anderson presented the current slate of officers:	New slate of officers voted in.

Membership Report

Alice Brown, RN, Membership Committee Chair

The Family Medicine Residency Nurses Association (FMRNA) Membership Committee works to increase the numbers and involvement of our fellow nurses within our organization. The committee discusses innovative ways to meet this goal to foster the continued growth and expansion of FMRNA. The ultimate goal of this committee is to have one member from every Family Medicine Residency Program in every state.

FMRNA members receive networking opportunities and support from peers who are familiar with the challenges we face on a daily basis. With more than **75** members from all over the country, FMRNA is dedicated to nurturing and showcasing the valuable experiences and knowledge that nurses bring to family medicine residency education.

We ask for continued input from our present members. If you are looking for a way to become more involved in the organization that was founded to help support you and others like you, then please consider joining the membership committee!

Spread the word ... encourage your fellow nurses and medical assistants to join!

Promotions/Communication Report
Marcia Snook, RN, BSN, Promotions/Communication Committee Chair

Our promotional sales usually peak during and shortly after the RPS/PDW Conference. Our sales from March 2017-March 2018 were \$2019.34. We are grateful that AAFP allows our organization to have a presence in the common area during breaks at RPS as well as the booth in the Exhibit Hall during PDW.

This visibility allows better interaction and networking with attendees.

We continue to improve our website in order to make it more user friendly for our members. It offers the convenience of renewing your membership electronically. For members, we also have a Resource section which includes helpful documents such as competencies, policies, evaluations, etc. Additional documents can be added by submitting them to fmrna@aafp.org.

It is our goal to publish a quarterly newsletter which is distributed to members electronically. Feel free at any time to send articles to fmrna@aafp.org if you have an article that you would like to contribute.

In addition to a quarterly newsletter the members of our Board publish monthly Keep In Touch messages and interactive Toss A Topic emails. These serve as conversation starters and virtual idea sharing opportunities for our members.

Come by and visit us at the FMRNA Promotional booth or visit our website anytime throughout the year at: www.fmrna.org.

Program Report

Mary Beth McLellan, RN, BSN and Kathy Morin, RN, Interim Program Committee Chairs

The Program Committee, made up of the FMRNA Executive Board members and the various FMRNA Committee Chairs, has been very busy planning the Annual Residency Nursing Workshop. In addition, we have collaborated with the AAFP to coordinate relevant nursing content into the Residency Practice Solutions program. In response to positive feedback last year we once again offered an all-day format for the Nursing Workshop but we divided it up between two days.

Friday, March 23, 2018 1:30 pm-6:00 pm

Saturday, March 24, 2018 8:00 am-12:00 pm

Kansas City, MO

Educational topics include:

1. Leveraging the Role of Nursing Leadership in the Residency
2. Work Place Transformation: Making Changes to Improve Team Communication, Education and Patient Care
3. Teaching and Living Resiliency Before, After and During Difficult Challenging Patient Encounters
4. Opioid Epidemic- What's a Nurse to do
5. Crucial Conversations
6. Panel Discussion

We strive to put our members first so your feedback and conference topic requests are vital. We have brought back our Panel Discussion session as a result of members requesting a time to ask pertinent questions that effect their work on a daily basis. We are pleased that the nurse educational accreditation board in Missouri recognized the value of discussion and approved the 1 hour CEU for this session.

I encourage you to get involved in your organization. Conference planning is rewarding and fun. We would love to have additional input into the future programming offered by our organization. In addition, we would like to enhance the nursing topics offered during the Residency Practice Solutions Conference. Take the opportunity to highlight the great things going on in your programs and clinics or bring a topic that is in progress to gather input for future development.

Our Annual Business Meeting is on Sunday, March 25 at 4:00 pm. It is open to all nurses attending the conference. The meeting is a great way to network with other nurses in the country who are up against similar challenges and accomplishments in the Family Medicine Residency setting. We look forward to seeing you there.

FAMILY MEDICINE RESIDENCY NURSES ASSOCIATION
Research/Standards Report
Kathy Morin, RN, Interim Research/Standards Committee Chair

Research plays an important role in all health care areas. There are many forms of research that nursing can get involved both directly and indirectly. FMRNA has not recently been involved in nursing research but we continue to encourage each other to seek research opportunities.

All residents are required to do process improvement and scholarly activities. With this new requirement my feeling is that there will be much more research going on in Family Medicine Residencies that more nurses can potentially become involved in and also share with the group.

We would be excited to support any member who is now or becomes involved in any research project! Our vision for the future would be for members to present data from nursing research projects as a pre-conference or RPS presentation.

Each year the Standards Committee reviews the FMRNA Standards for any changes or additions that need to be made to the list of current Standards. Over the past few years, there have been many standards of care and quality metrics added to the daily clinical functions within many if not all residency programs. With these changes and increase in the responsibilities of the clinical staff FMRNA recognized the need for additions to our written FMRNA Standards. In March of 2016, the FMRNA brought to the membership two standards, which were Transitions of Care and Population Health Management. These standards were voted on and approved as written. In March of 2017, the FMRNA made changes to our by-laws with regard to the combining of the Research and Standards chairs but did not make changes or additions to our current standards.

While Family Medicine Residency Nurses are involved in planning the care of each patient they also have a unique opportunity to positively impact a specific population of patients through population health management. This would include chronic disease management as well preventative care. Family Medicine Residency Nurses provide care as a member of the team to assure safe and appropriate follow up of the patients being discharged from urgent health care settings.

The Standards Committee is in desperate need of committee members. It is not only imperative that we hold our residency nurses to a high standard, it is just as important to have as much input from our membership as representatives on each of our committees as possible. Your voice and ideas need to be heard and are appreciated. Please consider joining a committee. Become active in YOUR FMRNA organization!
