Package your promotional literature with the most essential journal in primary care.¹

Placing an outsert with American Family Physician (AFP) gives you prominent exposure to primary care physicians and positions your message with the second highest qualified circulation of any BPA audited medical journal.²

Benefits to Sponsor

• **Premiere exposure:** Your outsert mails in a polybag together with the journal.

• **Exclusivity:** If placing a full-run outsert, only one outsert per issue is accepted.

• **Unique formats allowed:** Because your outsert does not interfere with the physical environment of the journal itself, some variation from standard folding and format, which is not acceptable for inserts, may be allowed upon prior approval and at the discretion of the publisher. (For example, bound-in BRCs are generally acceptable.)

• **Advertorial content allowed:** Advertorials may be acceptable upon prior approval and at the discretion of the publisher. Call your AFP sales representative for policies regarding advertorials.

Weight limit is 3.3 oz. (which is the maximum weight allowed by the USPS). Maximum trim size is 7-3/4” x 10-1/2” and minimum is 5-1/4” x 7-3/4”.

Contact the AFP sales team for pricing.

Samples may be required to provide accurate pricing. Outsert accepted only after prior approval and at the discretion of the publisher. A special charge may be made for handling.
