**Family Medicine Opportunities**

**CAMBRIDGE HEALTH ALLIANCE (CHA)**

**FAMILY MEDICINE OPPORTUNITIES**

CHA, a Harvard Medical School and Tufts University School of Medicine teaching affiliate, is an award winning, academic public healthcare system. We proudly serve the ethnically and socio-economically diverse patient population within our communities.

CHA is currently recruiting Family Medicine Physicians for our various neighborhood health centers in Cambridge, Somerville, Malden, Revere, and Everett.

- Full time and part time opportunities available.
- Primary Care Float opportunities.
- Physicians enjoy a collegial, vibrant and dynamic environment and great work/life balance.
- Opportunities available for teaching, and academic appointments commensurate with medical school criteria.
- Infrastructure includes fully integrated EMR (Epic) and clinical and administrative supports for primary care providers including onsite lab services, radiology, pharmacy, behavioral health, medical and surgical specialties, and more!

Ideal candidates will possess excellent clinical/communication skills and a strong commitment to and passion for our multicultural, underserved patient population.

CVs may be sent directly to Melissa Kelley, Provider Recruiter, at ProviderRecruitment@challiance.org.

In keeping with federal, state and local laws, Cambridge Health Alliance (CHA) policy forbids employees and associates to discriminate against anyone based on race, religion, color, gender, age, marital status, national origin, sexual orientation, relationship identity or relationship structure, gender identity or expression, veteran status, disability or any other characteristic protected by law. We are committed to establishing and maintaining a workplace free of discrimination. We are fully committed to equal employment opportunity. We will not tolerate unlawful discrimination in the recruitment, hiring, termination, promotion, salary treatment or any other condition of employment or career development. Furthermore, we will not tolerate the use of discriminatory slurs, or other remarks, jokes or conduct, that in the judgment of CHA, encourage or permit an offensive or hostile work environment.

Family Medicine Residency Core Faculty Physician
Penn State Health St. Joseph Medical Center
Reading, PA

Penn State Health St. Joseph is seeking a BC/BE family medicine physician to join our team as a faculty member in our 6-6-6 Family and Community Medicine Residency Program in Berks County, PA. Priority will be given to candidates interested in inpatient medicine. The Family and Community Medicine Residency Program strives to provide excellent education in training family physicians to provide comprehensive, compassionate, coordinated and continuous high-quality patient-centered care to the community served by our Program.

Duties include teaching, mentoring, advising, and supervising residents; engaging in scholarly activity; and providing patient care. The residency program fosters a supportive family-oriented environment that encourages work-life balance.

Job Requirements
• Medical degree - M.D., D.O. or foreign equivalent
• Completion of an accredited Family Medicine residency program
• Board certification/eligibility in Family Medicine
• Experience in an academic setting preferred
• Conversational Spanish speaking skills preferred

TO APPLY, PLEASE SEND YOUR CURRICULUM VITAE (CV) TO:
Greg Emerick, MHA, CPRP - Physician Recruiter
Department of Human Resources • Penn State Health
E-mail: gemerick@pennstatehealth.psu.edu • Phone: 717-531-4725

Penn State Health is fundamentally committed to the diversity of our faculty and staff. We believe diversity is unapologetically expressing self through every person’s perspectives and lived experiences. We are an equal opportunity and affirmative action employer. All qualified applicants will receive consideration for employment without regard to age, color, disability, gender identity or expression, marital status, national or ethnic origin, political affiliation, race, religion, sex (including pregnancy), sexual orientation, veteran status, and family medical or genetic information.

Put your opportunity in front of family physicians, so they can find you anytime - in print, online, and on their mobile devices.

Advertise with the #1 brand in family medicine.

It wasn’t very long ago that the typical out-patient practice was full of activity. Patients were coming in for care, assessments following elective surgeries and/or changes in functional status were being performed, therapy was being prescribed and patients were being helped to recover function. Telerehabilitation was being discussed, but was not a primary part of care delivery, in large part because of reimbursement barriers.

MANAGING LOST REVENUE THROUGH LONG TERM PATIENT MANAGEMENT

IT WASN’T VERY LONG AGO THAT THE TYPICAL OUT-PATIENT PRACTICE WAS FULL OF ACTIVITY. PATIENTS WERE COMING IN FOR CARE, ASSESSMENTS FOLLOWING ELECTIVE SURGERIES AND/OR CHANGES IN FUNCTIONAL STATUS WERE BEING PERFORMED, THERAPY WAS BEING PRESCRIBED AND PATIENTS WERE BEING HELPED TO RECOVER FUNCTION. TELEREHABILITATION WAS BEING DISCUSSED, BUT WAS NOT A PRIMARY PART OF CARE DELIVERY, IN LARGE PART BECAUSE OF REIMBURSEMENT BARRIERS.
