Family Medicine Residency Core Faculty Physician
Penn State Health St. Joseph Medical Center
Reading, PA

Penn State Health St. Joseph is seeking a BC/BE family medicine physician to join our team as a faculty member in our 6-6-6 Family and Community Medicine Residency Program in Berks County, PA. Priority will be given to candidates interested in inpatient medicine. The Family and Community Medicine Residency Program strives to provide excellent education in training family physicians to provide comprehensive, compassionate, coordinated and continuous high-quality patient-centered care to the community served by our Program.

Duties include teaching, mentoring, advising, and supervising residents; engaging in scholarly activity; and providing patient care. The residency program fosters a supportive family-oriented environment that encourages work-life balance.

Job Requirements
• Medical degree - M.D., D.O. or foreign equivalent
• Completion of an accredited Family Medicine residency program
• Board certification/eligibility in Family Medicine
• Experience in an academic setting preferred
• Conversational Spanish speaking skills preferred

TO APPLY, PLEASE SEND YOUR CURRICULUM VITAE (CV) TO:
Greg Emerick, MHA, CPRP - Physician Recruiter
Department of Human Resources • Penn State Health
E-mail: gemerick@ pennstatehealth.psu.edu • Phone: 717-531-4725

It wasn’t very long ago that the typical out-patient practice was full of activity. Patients were coming in for care, assessments following elective surgeries and/or changes in functional status were being performed, therapy was being prescribed and patients were being helped to recover function. Telerehabilitation was being discussed, but was not a primary part of care delivery, in large part because of reimbursement barriers.

**Medical Equipment DEALS!**

- **BDG with Interpretation**
