VIRGINIA

CANCER. CARE. WE DO BOTH.

The Inova Schar Cancer Institute is a state-of-the-art cancer center in the Washington, DC metro area designed to bring healing and hope to every patient. Inova Schar gives patients unmatched, integrated, clinical, and emotional support. Our team of nationally renowned doctors, specialists, surgeons, genetic counselors, nurses, and caregivers are backed by the latest in drug discovery, clinical trials, research and advanced treatments.

We have the largest group of breast surgeons and breast focused medical oncologists in the DC region.

Research, and especially clinical research, is central to what we do, and physicians have the support they need to pursue clinical and outcomes research. We are a main member of the NCI Alliance Clinical Trials Group.

Education is also a central tenet of our program. We have our own fellowships in breast surgery as well as hematology/oncology, and we have residency programs in Surgery (30 total), Medicine, Family Medicine, Neurosurgery, and Pediatrics at our main hospital, Inova Fairfax Hospital. We also have an academic affiliation with the University of Virginia in which one-third of their medical students spend their entire clinical years with us at Inova. If faculty are involved in medical student education they can earn an academic appointment with UVA.

Together, we are dedicated to delivering the best quality cancer care, from diagnosis to survivorship.
