

Percentage of Men With Chronic Conditions, 2007 and 2016

These surveys were conducted online within the United States between April 30-May 2, 2007, among 1,157 men ages 18 and over, and between April 15-19, 2016, among 916 men ages 18 and over, on behalf of AAFP by Harris Poll via its Quick Query omnibus product. These online surveys are not based on a probability sample and, therefore, no estimate of theoretical sampling error can be calculated.
