

Progress Toward 25% of U.S. Medical Graduates Entering Family Medicine Residency Training by 2030

Rates of Student Choice in Family Medicine

- Organized Family Medicine goal for U.S. medical graduates matching in family medicine by 2030
- Estimated additional U.S. medical graduates entering outside of the NRMP (AOA or other)
- U.S. Seniors (M.D. graduates) matching in family medicine through the 2018 NRMP Main Residency Match®

AOA = American Osteopathic Association; NRMP = National Resident Matching Program.
