**FMIG OPERATION**

Please answer the following three questions to describe your FMIG's structure and approach to operation. These questions will help describe the environment and provide the background for the programming/initiatives/projects section of the application.

17. How is your FMIG structured? What roles do student leaders play?

18. Describe your FMIG's mission and goals.

19. Describe the role of your FMIG Faculty Advisor.

**FMIG PROGRAMMING, INITIATIVES, AND PROJECTS**

In this section of the application, please describe your FMIG programming. Each block of questions should reflect one program, initiative, or project. In total, you may submit eight programs, initiatives, or projects, meaning that you may fill out the block of questions up to eight times total to reflect up to eight individual programs, initiatives, or projects.

While there is an eight program/initiative/project maximum, there is NO MINIMUM. You are not required to fill out eight separate entries. Certain programs can be combined into one entry. For example, National Primary Care Week Celebration can be one programming entry, and you can describe the week's activities and how they fit into that initiative.

*Questions during the application process can be directed to Sam Carlson at [poe@aafp.org](mailto:poe@aafp.org) or (913) 906-6000, ext. 6722.*
