

# JONATHAN LANE TEMTE

294 NORTH MAIN STREET  
OREGON, WISCONSIN 53575  
HOME: (608) 835-5688 OFFICE: (608) 263-3111

EDUCATION	DATE	DEGREE
La Crosse Central High School	May, 1976	Diploma
Luther College, Decorah, Iowa	May, 1980	B.A. - Biology
Oregon State University Corvallis, Oregon	June, 1986	M.S. - Biological Oceanography
University of Wisconsin Medical School	Dec., 1987	M.D.
University of Wisconsin Department of Zoology and Preventive Medicine	Aug., 1993	Ph.D. - Major: Zoology Minor: Epidemiology
University of Wisconsin Department of Family Medicine Residency Program	1990-1993	Board Eligible in Family Medicine
American Board of Family Practice Recertification	July, 1994 2000	Board Certification
Recertification	2007	
Recertification	2014	
Grant Generating Project, NAPCRG	June, 1998	Fellow

## HONORS

### UNDERGRADUATE

- < Mathematics Society of American Award, 1976
- < Bausch and Lomb Award for Excellence in Science, 1976
- < Renaseyler Polytechnic Institute Award for Excellence in Mathematics and Science, 1976
- < Luther College Regents Scholarship, 1976-1980
- < Julian and Joanna Jacobson Brauer Scholarship, 1978-1980
- < Nominated for Danforth Fellowship, 1979
- < Luther College - President's Top Ten List of Graduating Seniors, 1980

### GRADUATE AND MEDICAL

- < American Museum of Natural History, Lerner-Gray Fund for Marine Research Grant, 1982-1983
- < University of Wisconsin, Medical School Promotion Committee: Commendation for Excellence in the first and second years, 1983-1985
- < Lutheran Brotherhood - Life and Health Insurance Medical Research Fund: Medical Scientist Scholarship for M.D./Ph.D. Program, 1985-1990
- < John Jefferson Davis Fund Award, University of Wisconsin, 1989
- < American Museum of Natural History, Lerner-Gray Fund for Marine Research Grant, 1989-1990
- < Appointed to Wisconsin Academy of Family Physicians Research Committee, 1991-2000
- < First Place Research Paper by a Family Practice Resident, 44<sup>th</sup> Annual Scientific Assembly, American Academy of Family Physicians, San Diego, California, 1992.
- < Society of Teachers of Family Medicine - Resident Teacher Award, 26 June, 1993
- < American Academy of Family Physicians - Award for Excellence in Research during Residency, 26 June, 1993
- < Appointed as Director for Research in Medical Education Settings - Wisconsin Research Network, 1994
- < Wilderness Medical Society Research Award, September, 1994

GRADUATE AND MEDICAL HONORS (CONT.)

- < Invited Participant at Seventh Annual Mead Johnson Family Medicine Research Forum, Fort Lauderdale, Florida, December, 1995
- < Baldwin Lloyd Clinical Teacher Award presented by the residency class of 1996
- < Robert Wood Johnson Generalist Faculty Physician Scholar Program finalist, 1997
- < Fellow, Grant Generating Project of the North American Primary Care Research Group, 1997-1998
- < Dr. Marc Hansen Lectureship, University of Wisconsin Department of Family Medicine, 1998
- < Appointed to the Wisconsin Influenza Pandemic Preparedness Executive Committee, 1999
- < Recipient of American Academy of Family Practice Physicians Advanced Research Training Grant, 1999-2001
- < Appointed to AAFP Terrorism Preparedness Advisory Committee, 2002
- < Appointed to the Wisconsin Bioterrorism Surveillance and Epidemiology Workgroup, 2002
- < Appointed to the American Academy of Family Physicians Joint Grant Awards Council, 2002-2005
- < Technical Expert Advisory Group, AHRQ evidence report on Respiratory Syncytial Virus, 2002
- < AAFP representative at the CDC & Healthcare Partners SARS Preparedness Planning Meeting, September 12, 2003, Atlanta, Georgia
- < AAFP representative at the Centers for Disease Control and Prevention's global microbial threats strategy in response to the Institute of Medicine's recently released report *Microbial Threats to Health: Emergence, Detection, and Response*, September 23-24, 2003, Atlanta, Georgia
- < AAFP witness, U.S. House Homeland Security / Bioterrorism Subcommittee, Sept. 24, 2003, Washington, D.C.
- < Wisconsin Antibiotic Resistance Network (WARN), Steering Committee Member, Wisconsin Academy of Family Practice Liaison, Appointed December, 2003.
- < AAFP Consultant, Institute of Medicine Committee on Smallpox Vaccination Program Implementation, November 6, 2003, Washington, D.C.
- < Immunization Advisory Collaborative Group, AAFP. Appointed February, 2004.
- < Federation of Practice Based Research Networks Steering Committee. Elected March, 2004.
- < Advisory Committee on Immunization Practices, AAFP Liaison. Appointed May, 2004.
- < AAFP Liaison, Meningococcal Disease Education Stakeholders Meeting, Centers for Disease Control and Prevention, September 23-24, 2004, Atlanta, GA
- < AAFP Liaison, ACIP Meningococcal Vaccine Working Group, 2004-2005
- < AAFP Liaison, ACIP Harmonized Schedule Working Group, 2004-2005
- < AAFP Liaison, ACIP Human Papilloma Virus Vaccine Working Group, 2005
- < AAFP Liaison, Rubella and CRS Elimination Meeting, Centers for Disease Control and Prevention, October 29, 2004, Atlanta, GA.
- < Appointed to AAFP Commission on Science, December 2004.
- < AAFP Liaison, Pandemic Influenza Vaccine Prioritization Meeting, Centers for Disease Control and Prevention, June 15-16, 2005, Atlanta, GA.
- < AAFP Liaison, NVAC/ACIP meeting on Pandemic Influenza Vaccine Prioritization, July 19, 2005, Rockville, MD.
- < NCID Public Health Epidemiology and Laboratory Research Honor Award for adding substantially to the body of scientific and public health knowledge regarding avian influenza, August 25, 2005
- < Faculty Excellence Award for Research, UW Department of Family Medicine, September 2005
- < President's Award, North American Primary Care Research Group. October 2005.
- < Practitioners Engaged in Applied Research and Learning Protocol Review Committee, (Dental PBRN), 2006
- < American Academy of Pediatrics - Task Force on Immunizations, AAFP Liaison, 2006
- < Advisory Committee on Immunization Practices, Voting Member. Appointed May, 2008.
- < Advisory Committee on Immunization Practices, Vice Chair. Appointed July, 2009.
- < John J Frey III, MD Writing Award - Poetry. September 15, 2010.
- < John J Frey III, MD Writing Award - Poetry. September 15, 2011.
- < Dean's Award for Medical Student Research Mentorship, University of Wisconsin School of Medicine and Public Health, 2011
- < Appointed by Kathleen Sebelius, Secretary of Health and Human Services, as Chair of the U.S. Advisory Committee on Immunization Practices. Three year term to run from 1 July 2012 to 30 June 2015. First family physician to serve in this role.

#### GRADUATE AND MEDICAL HONORS (CONT.)

- < Family Medicine Midwest 2012 Creative Writing (Poetry) Winner (“Butch’s Requiem”)
- < Appointed as liaison to the Center for Disease Control and Prevention Board of Scientific Counselors, 2012
- < Creative Writing Award – Poetry, Family Medicine Midwest 2012
- < First-Place Writing Contest Winner. Journal of Family Practice. May 2014.
- < 2014 Excellence in Public Health Protection Award. DVH: Evaluating Hepatitis B Protection for Health-Care Personnel Team. National Center for HIV/AIDS, Viral Hepatitis, STD and TB Prevention
- < John J Frey III, MD Writing Award - Narrative essay. September 15, 2015.
- < John J Frey III, MD Writing Award - Narrative essay. September 14, 2016.
- < Department of Family Medicine and Community Health Faculty Excellence Award – November 2016
- < John J Frey III, MD Writing Award - Poetry. September 13, 2017.

#### PEER REVIEWER

- < Scientific Reviewer for THE AMERICAN NATURALIST (Journal), 1989
- < Scientific Reviewer for MARINE MAMMAL SCIENCE (Journal), 1990-1991
- < Scientific Reviewer for JOURNAL OF ZOOLOGY, LONDON (Journal), 1996-1998
- < Scientific Reviewer for JOURNAL OF FAMILY PRACTICE, 1997-2006
- < Scientific Reviewer for CANADIAN JOURNAL OF ZOOLOGY (Journal), 1998, 2002
- < Grant Reviewer for the California Oiled Wildlife Care Network, 1998
- < Scientific Reviewer for WILDERNESS AND ENVIRONMENTAL MEDICINE (Journal), 1998-2005
- < Scientific Reviewer for ARCHIVES OF FAMILY MEDICINE (Journal), 2000
- < Scientific Reviewer for JOURNAL OF MAMMALOGY, 2001
- < Grant Review Panel; CDC Community –Based Participatory Prevention Research June 24-26, 2002
- < Grant Reviewer for University of South Florida Center for Biological Defense, June 2002
- < Scientific Reviewer for AMERICAN JOURNAL OF PUBLIC HEALTH, 2002-2007
- < Scientific Reviewer for FAMILY MEDICINE, 2002-2006
- < Special Emphasis Panel, General Dental Practice-Based Research Network, National Institutes of Dental and Craniofacial Research, October 27, 2004, Bethesda, MD.
- < Scientific Reviewer for EUROPEAN JOURNAL OF EPIDEMIOLOGY, 2004-2005
- < Scientific Reviewer for EMERGING INFECTIOUS DISEASES, 2003-2006
- < Scientific Reviewer for ANNALS OF FAMILY MEDICINE, 2006-present
- < Scientific Reviewer for JOURNAL OF THE AMERICAN BOARD OF FAMILY MEDICINE. 2008-present

#### SOCIETY MEMBERSHIPS

- < American Academy of Family Physicians
- < Wisconsin Academy of Family Physicians - Member of Research Committee
- < WREN (Wisconsin Research and Education Network)
- < Society of Teachers of Family Medicine
- < North American Primary Care Research Group (Chair of North American Respiratory Infection Study Group)
- < Society for Marine Mammalogy, Charter Member

#### EMPLOYMENT EXPERIENCE

- |              |  |
|--------------|--|
| 2009-present | Professor Family Medicine  |
| 2000-2009    | Associate Professor Family Medicine  |
| 1999-2005    | Wingra Clinic Medical Director   |
| 1999-2000    | Medical Director, HCR Manor Care (long-term health care facility)                    |
| 1993-2000    | Assistant Professor of Family Medicine. University of Wisconsin, Madison, Wisconsin  |
| 1997-2002    | Primary Care Consultant, Wisconsin State Laboratory of Hygiene - Virology Laboratory |
| 1993         | Wisconsin Physician Service, Medical Consultant for Chart Audit, Madison, Wisconsin  |

#### EMPLOYMENT EXPERIENCE (CONT.)

1992-1993	Emergency Room Physician, Rural Wisconsin Hospital Cooperative, Sauk City, Wisconsin
1992-1993	Medical Consultant, Mental Health Center of Dane County, Madison, Wisconsin
1990-1993	Resident Physician, Department of Family Medicine and Practice, University of Wisconsin
1985	Instructor for MCAT preparation course, Acumen Unlimited, Madison, Wisconsin
1983-1984	Summer Sessions, Visiting Instructor of Marine Vertebrate Ecology, Oregon Institute of Marine Biology, Charleston, Oregon
1980-1983	Graduate Teaching Assistant, Oregon State University College of Oceanography and Department of Zoology
1980	Teaching Assistant and Counselor, NSF Summer Institute in Freshwater Ecology, Luther College, Decorah, Iowa
1979	Backcountry Guide and Counselor, Sky Ranch Lutheran Camp, Ft. Collins, Colorado
1978-1979	Assistant Head Resident, Larsen Hall, Luther College
1977-1980	Special Services Tutor, Luther College, Office of Student Special Services
1976-1980	Teaching Assistant, Luther College, Department of Biology

#### ADMINISTRATIVE EXPERIENCE

- < Member of St. Mary's Hospital Family Practice Teaching Service Quality Improvement Committee, 1993-1994
- < Member of Department of Family Medicine Mental Health Committee, 1993-1998
- < Coordinator of St. Mary's Hospital Family Practice Teaching Service, 1994-1998
- < WReN Director for Research in Medical Education Settings, 1994-present
- < Member of University of Wisconsin Graduate Medical Education Oversight Committee, 1994-present
- < Member of Department of Family Medicine Residency Education Committee, 1996-present
- < Research Director for Wingra Family Medical Center, 1995-present
- < Director, Department of Family Medicine Summer Student Research Assistantship Program, 1998-present
- < Department of Family Medicine Residency Scholarship Committee Chair, 1998-present
- < Medical Director, Wingra Family Medical Center, 1999-present
- < Medical Director, HCR Manor Care long-term care facility, 1999-2000
- < Chair, Wisconsin Influenza Pandemic Planning Executive Committee, 2001-2003
- < Director, Wisconsin Research and Education Network, 2002-2006
- < University of Wisconsin Hospital Board, elected July, 2003 [through 2005]
- < Advisory Board, SosiabCare Home Health Agency, Madison, Wisconsin, 2004-present
- < Director, UW Department of Family Medicine Clinical Data Warehouse, 2006-present
- < Chair, American Academy of Family Physicians Commission on Science, 2008
- < Chair, Wisconsin Council on Immunization Practices, 2006-present
- < Vice Chair, U.S. Advisory Committee on Immunization Practices. 2009-2012
- < Chair, U.S. Advisory Committee on Immunization Practices. 2012-2015
- < Medical Director, Public Health – Madison & Dane County. August 2013 - present

#### RESEARCH EXPERIENCE

- |              |  |
|--------------|--|
| 2013-present | School-based surveillance of influenza. Rapid detection of influenza in long-term care facilities. Real-time surveillance of influenza across and primary care network. Climate change and dysphoria in primary care. Advanced maternal age in captive seals.  |
| 1995-2012    | Respiratory viruses in primary care; Complexity of primary care; Recognition of agents of bioterrorism; Temporal patterns and environmental control of influenza A epidemics; Effects of respiratory virus and influenza surveillance on antibiotic utilization and diagnoses; Effects of timing of influenza vaccine on clinical outcomes. Prevalence of respiratory infections in airline passengers; Research activity of family practice residents, Clinician attitudes regarding international adoption, Approaches to Healthcare Literacy; Environmental attitudes of family practice patients |

## RESEARCH EXPERIENCE [CONT]

- 1993-1997 Integration of laboratory viral surveillance into family medicine clinical practice, Relationship between hematocrit and cholesterol; High altitude effects on serum cholesterol level; Generalist physician approach to dyspepsia; Temporal patterns of appendicitis; Population differentiation in Pacific harbor seals.
- 1991-1993 Research interests of Family Practice residents during residency
- 1985-1993 Reproductive biology of seals; Seasonal determinants of health and disease; Photoperiodism in setting annual timing of reproductive events; Environmental health; MD/PhD research: UW Medical School and Dept. of Zool., Henry Vilas Park Zoo, Denver Zoological Gardens, Sea World of Florida
- 1980-1983 Population assessment of harbor seals; Marine mammals-human interactions; Reproductive biology of marine mammals; Graduate Research Assistant, Oregon State University College of Oceanography, Corvallis, Oregon
- 1978-1980 Nutrient Availability in Freshwater Systems; Research Assistant, NSF-Undergraduate Research Program, Luther College, Decorah, Iowa

## RESEARCH SUPPORT RECEIVED

- < American Museum of Natural History, Lerner-Gray Fund for Marine Research Grant, 1982-1983
- < Lutheran Brotherhood - Life and Health Insurance Medical Research Fund; Medical Scientist Scholarship for M.D./Ph.D. Program, 1985-1990
- < John Jefferson Davis Fund Award, University of Wisconsin, 1999
- < American Museum of Natural History, Lerner-Gray Fund for Marine Research Grant, 1989-1990
- < Wilderness Medical Society Research Award, September, 1994 (\$2,000)
- < American Academy of Family Physicians Grant awarded for the Wisconsin Family Practice Resident Research Initiative, July, 1995 (\$5,000)
- < American Academy of Family Physicians Joint Grants Program: Initial management of dyspepsia in primary care settings, May, 1996 (\$20,000)
- < Centers for Disease Control Expanded Laboratory Capacity for Influenza Surveillance through the Wisconsin Division of Public Health. Fall, 1998
- < Centers for Disease Control Viral Information Resource Utilization Study Recommended for funding, 1998
- < American Academy of Family Physicians Advanced Research Training Grant for Infectious Disease Surveillance January 2000-December 2001 (\$98,000)
- < Southwest Wisconsin Area Health Education Center. Community Supported Education for Bilingual Medical Personnel, July 2000-June 2001 (\$17,500)
- < U.W. Medical School, Educational and Research Development Grant. Development of an interactive web-based curriculum in critical thinking and research methodology. 2001 (\$3,998)
- < Centers for Disease Control Community surveillance for unexplained diarrheal illnesses. Recommended for funding, 2001
- < Agency for Healthcare Research and Quality "WReN's response to emerging public health threats" \$99,321 (10/01/02 to 9/30/04)
- < Agency for Healthcare Research and Quality "Wisconsin Bioterrorism and Influenza Sentinel Surveillance and Education Network." \$99,321 (10/01/03 to 9/30/04).
- < American Academy of Family Physicians Foundation "Clinician attitudes and approaches to the literacy status of patients in primary care" \$10,000 (10/01/04 to 9/30/05)
- < Wisconsin Division of Public Health. "Automated Clinician Reminder System for Reportable Conditions" \$120,000 (9/01/04-8/31/06)
- < Agency for Healthcare Research and Quality "Problem Density, Mental Workload and Medical Error in Primary Care Practice." \$99,998 (6/01/06 to 5/31/08).
- < CDC/Council of State and Territorial Epidemiologists. "Influenza Incidence Pilot Project." \$149,890. (7/01/09 – 5/31/10)
- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$220,000 (6/01/2010 to 5/31/2011)
- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$189,287 (6/01/2011 to 5/31/2012)

## Research Support Received [CONT]

- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$189,972 (6/01/2012 to 5/31/2013)
- < HRSA. ARRA Primary Care Faculty Development Program (#: D5CHP19228): \$578,076. (7/01/2010 - 6/30/2013).
- < Quidel Corporation. “Real-Time Surveillance for Influenza across a Statewide Primary Care Network” (8/01/2013 – 5/31/2014): \$80,000
- < Centers for Disease Control and Prevention. “ORegon CHild Absenteeism due to Respiratory Disease Study” (ORCHARDS) (9/01/2013 – 8/31/2015): \$1,498,345
- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$84,973 (9/01/2013 to 8/31/2014)
- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$111,000 (7/01/2014 to 6/30/2015)
- < Quidel Corporation. “Real-Time Surveillance for Influenza and RSV across a Statewide Primary Care Network” \$200,000 (6/01/2014 – 5/31/2015)
- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$130,000 (7/01/2015 to 6/30/2016)
- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$75,000 (7/01/2016 to 6/30/2017)
- < Wisconsin Partnership Program. Rapid Assessment of, and Prophylaxis for Influenza in Dwellers of Long-Term Care Facilities (RAPID-LTCF). \$500,000 (11/01/2016 – 10/31/2019)
- < Centers for Disease Control and Prevention. “ORegon CHild Absenteeism due to Respiratory Disease Study-2” (ORCHARDS-2) (9/01/2017 – 8/31/2021): \$2,400,000
- < CDC/Council of State and Territorial Epidemiologists. Influenza Incidence Surveillance Project. \$35,000 (7/01/2017 to 6/30/2018)

## PUBLIC SERVICE

- < Member of the U.S. Influenza Sentinel Physician Surveillance Network, Centers for Disease Control, 1997-present
- < Wisconsin Influenza Pandemic Preparedness Executive Committee
- < Continuing Medical Education Seminars provided through University of Wisconsin Medical School on Diagnosis and Treatment of Attention Deficit/Hyperactivity Disorder in Family Practice Settings”, “Respiratory Viruses in Primary Care”, “A Family Practice Perspective on Bioterrorism” 1995-present
- < Visiting Teacher (K-9) programs on Marine Mammals and Conservation, through University of Wisconsin Speakers Bureau, provided to Madison Metropolitan School District, 1995-present
- < Appearances on Channel 3 (CBS) News to discuss 1995-1996 Influenza Epidemic, January, 1996; Channel 27 (ABC) to discuss 1999 influenza epidemic, February, 1999, Channel 27 (ABC) to discuss bioterrorism (Oct. 2001)
- < Weekly Influenza Update, circulated via email across Wisconsin 2000-present
- < CDC Adult Influenza Vaccination Webcast – panelist, September 7, 2006
- < CDC Childhood Influenza Vaccination Webcast – panelist, September 11, 2006
- < CDC National Influenza Vaccination Week Webcast, panelist, November 30, 2006
- < Hepatitis B Screening Guideline Meeting. CDC. February 8, 2007. Atlanta, GA
- < Colds and Influenza. Joy Cardin Show. Wisconsin Public Radio. November 7, 2013.
- < Influenza. Larry Meillor Show. Wisconsin Public Radio February 22, 2016
- < Influenza. Channel 15 News. February 24, 2016
- < Influenza. Kate Archer Kent Show. Wisconsin Public Radio October 17, 2017

## SPECIAL MENTORSHIP EXPERIENCE

- < Directed Study for Angela Rasmussen. Undergraduate in Medical Microbiology at UW-Madison. Biology and Clinical Significance of Influenza A and B. 1997
- < Clinical Instructor for Yasmine Yusef-Safavi, M.D. Resident physician on leave from Janesville Family Practice Residency. 1998

## **SPECIAL MENTORSHIP EXPERIENCE [CONT]**

- < Directed Study for Jessica Ulmer. Undergraduate in Biology at UW-Madison. Timing of Epidemics of Respiratory Syncytial Virus in Wisconsin. 2000
- < Research Elective Advisor for Yasmine Yusef-Safavi, M.D., Family Practice Resident at Emory University. Temporal patterns and symptoms associated with non-Streptococcal pharyngitis.
- < Advisor to Rex Kolste, M.D. Faculty at Janesville Family Practice Residency. The scope of family practice. AAFP Fundamentals of Management Program. 1996-1997
- < Primary Care Faculty Development Fellowship Program, 2010-2013
- < MPH Practicum Advisor for Kyriakoula Kostopoulos, Spring 2015
- < MPH Capstone Advisor for Maureen (Landsverk) Goss, Spring 2015

## **SCIENTIFIC PUBLICATIONS IN PEER REVIEWED JOURNALS**
