

Office Champions FQHC Project Instructions for Evaluation Survey

Congratulations! You have completed the Office Champions Tobacco Cessation FQHC Project. The AAFP would like to evaluate the Office Champions project and materials. To fill out the online survey, go to <http://nf.aafp.org/NoviSurvey/n/tobaccochampeval.aspx>. Please keep in mind that the purpose of the evaluation is to help AAFP evaluate the Office Champions project and related materials, not to evaluate your practice. **Be sure to review your implementation plan prior to starting the Final Evaluation Survey. The online evaluation survey must be completed no later than November 29, 2013.**

You will not be able to save or print the online survey. If you are unable to locate your previously saved implementation plan, please contact me for assistance. Remember, completing this survey is part of the project and is required, along with your post-project chart review, in order to receive your final payment.

If you have any questions about the evaluation survey process, you may contact Christy Alexander at 800-274-2237 ext. 3140 or TempPR@aafp.org.

Again, congratulations on your success in being recognized for excellence in tobacco cessation!
