

THE FORMER SEAL OF THE ASSOCIATION OF DEPARTMENTS OF FAMILY MEDICINE (ADFM)

The former official seal of ADFM depicts the ancient symbol for the Family, as denoted by the triangular spoked symbol. The three smaller circles above the triangle symbolize man with his wife and children. The former seal is believed to have been developed sometime after the establishment of AFMRD in 1978, and served as the official mark of the organization until 2009.
