

WHAT'S ON YOUR MIND?

1. What are your two or three biggest challenges as a family physician right now? (What, besides care of individual patients, is soaking up the most time, energy and concern?) Please be specific.

2. What major professional challenge(s) do you see coming next for you as a family physician? (What are you worried about but not yet dealing with?) Please be specific.

3. Have you recently solved a problem in a way that you think other family physicians would benefit from hearing about? Please explain.

4. How would you rate the following? (Please check one box for each.)
