Food for thought at our College of Medicine picnic! We love being able to 'ketchup' on *AFP* news together and 'relish' the day.

What better way to celebrate Halloween than by sharing some *AFP* knowledge with our spooky skeleton friends? The Prisma Health Family Medicine Residency in Greer, S.C., loves to use the *AFP* journal articles to keep us up to date on the latest family medicine news!

The winning photos are being shared in this issue of the journal, in the digital versions of *AFP*, and through the *AFP* social media channels. Winners received a \$100 gift card and a one-year print subscription to *AFP*. Photo submissions receiving honorable mention are featured online and are posted to the *AFP* social media channels.
